April 18th, 2008

To: All Unistrut® Distributors, Wholesalers, Preferred Customers,  
Manufacturers Representatives, and Sales Management.

## **SUBJECT: PRICE INCREASE**

Due to continued raising costs associated with raw materials (steel, zinc, stainless steel, and petroleum based products) the following is being announced:

### **EFFECTIVE May 19th, 2008**

- **20%** Price Increase on all Unistrut® Channels, Fittings, and Accessories.
- **20%** Price Increase on all Telespar® and Telestrut® Fittings and Accessories
- **20%** Price Increase on all United Interlock® Grating, Roofwalk® and Accessories.

**We again reserve the right to change this schedule based on market conditions and in the future may need to do so without a 30 Day Notice. We also reserve the right to review and reduce quantities on any unusually large orders in an effort to avoid potential future allocations of finished product.**

We appreciate your continued support of Unistrut® If you have any questions please contact your Regional Sales Manager and they will assist you with your needs.

Regards,

**Gordon Hunter**
